Theatre in The Mountains Actor's Rates

Hello TIM friends,

These are special rates for TIM actors who live in the Loma Prieta area. Loma Prieta is a little far from my location in Santa Cruz, and the mileage fee for home visits would add up. So, I have made these accommodations for home visits to make it more affordable for the TIM actors I love to work with so much.

- **Virtual Lessons** are still a fantastic, affordable, and flexible option!
 - \$65
- For **In-Person Lessons** that can be scheduled after any TIM rehearsal that I am already scheduled for will match my virtual cost at:
 - \$65
- Any **In-person Lessons** that are scheduled when I am not already in the area will match my usual studio cost at:
 - \$80

*These rates refer to full 60 minute lessons

*These offers are unfortunately not available for TIM actors who live outside the Loma Prieta Area. If this is you, please contact me to see what we can work out.
